**Discussion:** The Public Safety Committee is authorizing the Clerk of Circuit Court to contract with the DOR (Department of Revenue) for the collection of unpaid debt.

Clerk of Circuit Court Brenda Behrle explained the current collection process. She advised the DOR has a better means of collecting debt as they have more resources available. They charge a fee prior to collection but do not charge a percentage. This fee is not paid by the county but paid by the debtor.

Approved by the Health and Aging Committee this 9<sup>th</sup> day January of 2017.

Offered and passage moved by: Robb Jensen, Ted Cushing, Dave Hintz, Billy Fried and Bob Mott.

**Discussion:** Per Supervisor Mott, Transit Commission is requesting an advance in operating funds. He stated funding received from State and Federal government is not always timely and available when bills are due to be paid. There is then a shortage of funds when bills come due. It was reported by Supervisor Mott that April 2016 usage was 588 one way rides; change implemented in May 2016 to make rides available to all citizens in Vilas and Oneida, usage reported for the month of December is 2,062. Per Supervisor Mott Oneida County Finance approved advance and request will be sent to Vilas County Finance on today's date.
