Tabled to next meeting.

RESIGNATION/APPOINTMENT OF LEPC COMMITTEE MEMBER(S)

Replace former City of Rhinelander Mayor Dick Johns with Mayor Chris Frederickson who accepted the Committee position. The Emergency Management Director will take the appointment to the County Board of Supervisors for approval.

HAZMAT TEAM REPORT

The Emergency Management Director cited the number of members on the Hazmat Team, the number of members who are Technician-Level trained, Operation-Level trained and number of members who provide Support.

The HazMat I Vehicle remodel is almost complete with two working stations installed in the back of the vehicle. Equipment has not been tested yet and there were discussions regarding generators.

2018 trainings were mentioned, competencies cited, there were no HazMat calls since the last meeting and all bills are paid.

There were discussions regarding offering a countywide Decontamination Training for municipal fire departments. The topic can be brought to the Oneida County Public Safety Association Meeting (F/k/a Fire Chief's and Emergency Services).

ITEMS FOR AND REPORT FROM EMERGENCY MANAGEMENT

2018 Computer/HazMat Equipment Grant:

The Computer/HazMat Grant has been completed and submitted to the State for approval. The Emergency Management Director cited equipment, identified contracted counties and mentioned contracted counties would be purchasing portable radios that will replace the bank of portable radios (and accessories) located in the HazMat II Vehicle.

There were discussions regarding supplies and equipment located within contracted counties. A question was asked, if the County HazMat Team ran out of supplies during a response, who would provide backup of necessary supplies/equipment. The Emergency Management Director affirmed Marathon County HazMat Team would be contacted for additional resources. The Director mentioned the Oneida County HazMat Team and the Marathon County HazMat Team are a combined State Level II HazMat Team that can be deployed to an incident.

The Emergency Management Director provided the Oneida County LEPC Committee Overview PowerPoint Presentation citing; the committee's role and responsibilities, background information of the Emergency Planning Community Right to Know Act, identified reporting facilities and planning facilities with extremely hazardous chemicals and transportation routes.
