Approval of today's agenda made by Jeff, seconded by Carolyn

Approval of April's meeting minutes by Jeff, seconded by Carolyn

Public comment: None present

Date of next meeting: Thursday, June 1 2017

Activity Coordinator's Report: See attached. Discussed success of rummage sale, what could be improved upon, pros and cons of the site, need to find a 'storage' facility at no charge for future 'early donations' as well as site for next year's sale. The late donation from an estate was very well received showing if we had a storage facility, we could benefit from year round estates. Thank you to all the helping hands of many donated hours. Habitat took the desks, chairs and couch, Goodwill took the left over clothes. Funds that have been raised and the expense report were discussed.

Womens Club Grant: It was brought to our attention the availability of grant funding from the Women's Club with the thought of funding for new chairs.

Culver's fund raiser was confirmed with volunteers Carolyn Stephanie Jean and Darlene.

Memorial Day brat sale scheduled for May 26 with volunteers Dee, Doc, Brian, Bob Krause and Dave Murray confirmed.

Craft room: The craft room has been discontinued and will be a Resale Shop.

Senior Event Reminder Project: Speakers for Alive to Life are needed for the 2018 event. A suggestion was made regarding coffee cups .. bring your own or supply cups from rummage sale with a take-it home theme.

Items for next agenda: Walking taco sales following the parade, future brat sales, Culvers fund raiser.

Adjournment: Motion by Brian, seconded by Pat

Secretary: Carolyn Caron
