PUBLIC NOTICE
Invitation for Sealed Bids on Timber Stumpage

Sealed bids will be accepted by the Oneida County Forestry Department at the Oneida County Courthouse, Second Floor, Room B206, Rhinelander, WI 54501 **UNTIL NOON ON MONDAY, November 30, 2026.** A timber sale prospectus and bid forms may be obtained by contacting the Forestry Office at the above address or by telephone at (715) 369-6140. Bid packets can be viewed online at http://www.oneidacountywi.gov

Oneida County Forest is third party Certified. For information regarding certification, please contact the Forestry Office.

There are 6 tracts of timber for sale in the Towns of Enterprise, Little Rice and Lynne, comprising approximately 470 acres. Total volume estimates are as follows:

Aspen	1,890 Tons	Basswood Logs	31 MBF
Balsam Fir	170 Tons	Hard Maple Logs	10 MBF
Basswood	320 Tons	Mixed Hwd Logs	134 MBF
Mixed Hwd	11,500 Tons		

The outside of the envelope must show the tract number and contractor name. Bids must include:

1. Tract number.
2. List of species to be cut and estimated volume.
3. Bid prices per Ton or MBF for each species and product.
4. Signature and address of each bidder.
5. A refundable bid bond in the form of check or cash must accompany each bid for the amount of 5% of the total bid value.

Successful bidders must provide proof of training to the State SFI standards and a completed Wisconsin Sales and Use Tax Exemption Certificate (form S-211) to the county at the time of contract signing. Minimum required deposit is 25% of successful bid value for each tract. The Forestry, Land & Recreation Committee reserves the right to reject any or all bids and/or select the bid most advantageous to Oneida County.

Bids will be publicly opened Monday, November 30, 2026 at 12:00 noon in Committee Room #1, 2nd Floor, Oneida County Courthouse, Rhinelander, WI. Successful bids will be awarded at the regularly scheduled Oneida County Forestry, Land & Recreation Committee meeting at 8:00 a.m. on Tuesday, December 1, 2026 in the Oneida County Board Room, 2nd floor, Oneida County Courthouse Rhinelander, WI. Bid results will be posted online at www.oneidacountywi.gov/departments/fr/timber-sales/)

NOTICE FOR SEALED BIDS FOR STUMPAGE ON
ONEIDA COUNTY FOREST LANDS

BID DEADLINE: November 30, 2026 at NOON

Sealed bids will be received by the Oneida County Forestry Committee for the purchase of stumpage on the attached maps of Oneida County Forest Land, in accordance with the conditions set forth by the Committee. Additional information about the cutting areas is available from the Oneida County Forestry Office, PO Box 400, Rhinelander, WI 54501.

A REFUNDABLE BID BOND (CASH OR CHECK), IN THE AMOUNT OF 5% OF THE TOTAL BID VALUE, MUST ACCOMPANY EACH BID.

If your bid is NOT SELECTED, the bid bond will be returned. If your bid is ACCEPTED, your bid bond will be held until the contract is signed on the terms below. If the contract is not signed within the required two (2) week period, your bid bond will be FORFEITED.

12.5 % will be added to the scale of all hand peeled wood. 16% will be added to the scale of all machine peeled wood.

SCALE PAYMENT WILL BE BY THE LOCK BOX HAUL PERMIT SYSTEM.

Irrevocable Letters of Credit and bonds will be considered on an individual basis in lieu of cash deposits.

Letters of Credit must have an expiration date one year past the contract end date.

Certificates of Insurance will be provided by the successful bidder at the signing of the contract, proving adequate liability with the limits of $1,000,000 bodily injury and $1,000,000 property damage and Worker's Compensation at statutory limits.

All successful bidders must provide proof of training to the State SFI standards and a completed Wisconsin Sales and Use Tax Exemption Certificate (formS-211) showing tax exemption status at contract signing.

Successful bidders must sign contracts and pay balance of deposit within two weeks of receipt. Contract expiration dates vary from one to four years and may be renewed, with increased rates, at the discretion of the Committee. Total contract period shall be no more than four years from date issued. Upon signing of the contract, a deposit of 25% of the total successful bid value will be required. The minimum rates only apply to jobs sold by competitive bidding.

➔ It is the bidder's responsibility to contact individual towns to determine if there are town ordinances relating to logging operations on town roads. Town contact information can be found on the Oneida County website (www.oneidacountywi.gov) under "Municipalities" or by contacting the Oneida County Clerk at 715-369-6144.

PLEASE NOTE: Oneida County Forest Roads (Bowman Rd, John's Memorial Dr, Zimmer Rd, Shingle Mill Rd, Camp Six Rd, South Exit Rd, Bass Lake Rd, Cruisers Rd and Rozell Rd and Kelly Fire Lane) *are **not** maintained in the winter by the County*. It is the responsibility of the Contractor to arrange snow plowing on these roads.

ALL BIDS MUST MEET MINIMUM BID PRICE PER SPECIES AS STATED ON SALE MAPS.

Note: Log specifications - Small end: 10" diameter inside the bark for hardwood and 9" diameter inside the bark for softwoods and capable of making a #3 Grade log. All logs shall be scaled by the County prior to hauling unless otherwise specified.

NOTE: Bids will be publicly opened on Monday, November 30, 2026 at 12:00 noon in Committee Room #1, 2nd Floor, Oneida County Courthouse, Rhinelander, WI. Successful bidders will be announced Tuesday, December 1, 2026 at the regularly scheduled Forestry Committee meeting, scheduled to begin at 8:00 a.m. in the County Board Room, 2nd Floor, Oneida County Courthouse, Rhinelander, WI. Bid results will be posted online at www.oneidacountywi.gov/departments/fr/timber-sales/)

BID DEADLINE: **Monday, November 30, 2026 at NOON**; Oneida County Forestry Office; PO Box 400, Court House, 2nd Floor, Room B206, Rhinelander, WI 54501.

MAILING ADDRESS:_____

CITY / STATE / ZIP:_____

ONEIDA COUNTY FORESTRY DEPARTMENT
TIMBER SALE BID FORM

Send completed bids and bid bonds to: Oneida County Forestry, Land & Outdoor Recreation Committee, PO Box 400, Rhinelander, WI 54501

All sales are subject to the following conditions:

1. Only the tree species specified on the timber sale prospectus / map are to be cut. Utilization specifications designated for the sale area must be adhered to.

2. Contractor must comply with Slash Disposal Law, Sec.26.12(b), Wisconsin Statutes.

3. A Refundable Bid Bond must accompany each bid. Bid bond will be of 5% of the total bid value, in the form of a check or cash. A Performance Bond, in the form of cash, check, or letter of credit, equaling 25% of the total bid value is due upon signing of the contract.

4. No forest products shall be removed until scaled and marked by a representative of the Forestry Department and paid for unless otherwise specified in the contract scaling instructions. **NOTE: Log specifications - Small end: 10" diameter inside the bark for hardwood and 9" inside the bark for softwoods and capable of making a #3 grade log.**

5. All timber, marked or otherwise designated by the contract to be cut, shall be cut progressively and to the satisfaction of the representative of the Forestry Department, whether or not the quantity of such timber is more or less than the estimated comprising the operational specifications.

6. Undesignated trees cut or injured through carelessness and designated trees left through carelessness shall be paid for at double the stumpage rate. Timber wasted in tops and stumps shall be paid for at the stumpage rate.

7. Purchaser agrees to assume all liability for any damage or injury to persons or property, real or personal, resulting from Purchaser's operations under this contract and will hold Oneida County harmless from the same. The contractor shall furnish certification to the Oneida County Forestry Department that he / she is adequately insured with a reliable company so that Oneida County shall not be held liable in case of injury or death during and after the contract period. The limits of liability shall be $1,000,000.00 bodily injury and $1,000,000.00 property damage. The contractor shall also furnish proof of Workers Compensation Insurance at statutory limits. In the event the Purchaser's insurance is terminated for any reason, he / she shall immediately cease all activities otherwise permitted by the contract and provide written notice to the Forestry Department.

8. Roadways and trails will be kept free from brush, logs, pulp and waste material resulting from the operation. The Purchaser must abide by all rules regarding the use of roads, trails, and fire lanes. Additional constructed roads or trails must meet the approval of the Forestry Department.

9. Contractors will be required to furnish the Forestry Department with proof of SFI Logger Certification and a completed Wisconsin Sales and Use Tax Exemption Certificate (form S-211) showing tax exemption status prior to signing contracts.

TURN OVER FOR SIDE 2

10. If, in the opinion of the Forestry Department, it is deemed that Contact provision are not being adhered to, all logging operations will be suspended. Operations may not be resumed without notification of the Forestry Department.

11. The Forestry Committee shall be the sole judge as to satisfactory compliance of contract conditions.

12. Timber sale contracts cannot be assigned in whole or in part without the consent of the Forestry Committee.

13. Any or all bids may be rejected by the Committee.

14. *ALL BIDS PER SPECIES MUST MEET MINIMUM BID PRICE AS STATED ON PROSPECTUS.*

15. Sample copies of County timber sale contracts are available for review at the Forestry Office in the Oneida County Court House.

16. All contracts will expire after the term indicated on the sale prospectus / map. One year extensions may be granted at the discretion of the Forestry, Land & Recreation Committee. Stumpage rates will be increased according to the following schedule:

One Year Contract:	1st Extension 5% rate increase
	2nd Extension 10% rate increase
	3rd Extension 15% rate increase
Two Year Contract:	1st Extension 10% rate increase
	2nd Extension 15% rate increase
Three Year Contract:	1st Extension 15% rate increase
	(No additional extensions)

Total contract period, plus extensions, shall be no more than four years from date issued.

NOTE: The number of bids received per tract will not be revealed prior to bid deadline.

NOTE: Each tract that is bid on will be placed in a sealed envelope marked "Sealed Bid--Tract #__" and have the contractors name and address plainly printed on the front of the envelope.

BIDDER'S NAME, ADDRESS AND TRACT NUMBER MUST BE INCLUDED ON THE OUTSIDE OF THE ENVELOPE.

I submit the following bid on TRACT # _____.

Utilization Specifications being Bid (circle one) 4" Top Whole Tree

Note: Make sure to use the volume estimates corresponding to the utilization specifications being bid. Bids must be per ton unless minimum bid is listed only by mbf or cords.

1 inch = 1/4 mile

HARVEST REGULATIONS

1. **Selection Harvest Area**: harvest all orange-marked trees, all balsam 1" DBH and greater, all ironwood and musclewood 1" DBH and greater, and all ash 6" DBH and greater. Utilization on all species is a 100" stick to a 4" top. Whole tree utilization is not allowed to protect residual hardwood. No whole tree skidding is allowed. Any den or nest trees shall be left uncut. Standing dead trees are not to be cut unless they pose a safety hazard. EXTREME care must be given to protecting existing hardwood regeneration.
2. **Seasonal Restrictions**: Dry or frozen ground conditions are required to prevent soil damage. Harvesting will be allowed only between July 15 through the following spring break-up (approximately March 15) to minimize damage to residual trees. Time restrictions may be imposed if rutting occurs in the woods or on roads or if excessive damage to residual trees occurs.
3. No new roads will be permitted without the permission of the County. Existing roads may be opened and landing sites may be constructed with prior approval of the County. All trails will be returned to their original condition or better at the end of the sale. Bond money will not be returned until all road and landing rehab is complete. Decking and skidding is prohibited on town roads unless permission is obtained from the Town of Lynne.
4. No equipment or slash is allowed in wetland or ephemerally wet areas within or adjacent to the sale. Equipment may not be operated within 15 feet of any wetland unless ground is dry or frozen.
5. The survey monument and any witness trees are marked with blue paint and must not be damaged.
6. Flowage Road is used as an ATV and snowmobile trail. The Minocqua Forest Riders snowmobile trail directly borders the sale area. Slash must be pulled back a minimum of 10 feet from the edge of the trail and must be cut to no higher than 2 feet off the ground within 25 feet of this road. If operations occur during snowmobile season, snowmobile trails directly associated with the timber sale area must remain snow-covered to the extent possible for the duration of snowmobile season. Cautionary signs must be placed along Flowage Road and snowmobile trail at both ends of the sale area for the duration of all harvest and trucking operations.
7. Permission will need to be obtained by the contractor from the landowner to use the segment of snowmobile trail from Flowage Road to the gate (60').
8. All items listed in the Oneida County Timber Sale Contract apply. All BMPs will be followed.

Harvest Regulations:

1. **In the overstory removal area:** harvest all trees greater than 6" DBH except spruce, hemlock, cedar, elm, and trees marked with green paint. Dead ash was not cruised but may be utilized if sound. EXTREME CAUTION must be used to protect existing hardwood regeneration. Do not skid through, drop trees into, or drag tops through concentrated areas of hardwood or aspen saplings. If regeneration is not protected, the contractor may be required to directionally fell trees into harvester path, limb/top in same path, with skidder following harvester path. Excessive damage to regen may result in further equipment restrictions (such as no hot saws or fixed head harvesters only), or contract cancelation. Slash must be evenly distributed across sale area (no large piles). NO WHOLE TREE OR POLE LENGTH SKIDDING. Utilization on all species is a 100" stick to a 4" top. No whole tree harvesting is allowed. Any den or nest trees shall be left uncut. Standing dead trees are not to be cut unless they pose a safety hazard.

2. **Seasonal restrictions:** Harvesting/skidding is limited to July 15 through the following spring break-up (approximately March 15). Harvesting/skidding in the harvest area is permitted only under very dry or frozen-ground conditions. Further seasonal restrictions may be imposed if excessive rutting occurs in the woods, the roads, or if excessive damage to residual trees occurs.

3. **Roads and access:** No new roads are permitted. Existing roads may be opened and improved and landing sites may be constructed with prior approval of the County. Access roads connecting to South Turcott Rd must be blocked with berms/rocks or a gate at the end of each harvest season and at the end of the sale if previously blocked. All trails must be returned to their original condition or better at the end of sale operations. Bond money will not be returned until all road/landing rehabilitation is satisfactorily complete. Decking along South Turcott Rd is only allowed with permission from the Town of Lynne. Signs will be needed on South Turcott Rd to notify users of logging operations occurring.

4. No equipment is allowed in the wetland areas within or adjacent to the sale unless the ground is dry or frozen. Minimize dropping trees outside of the red paint line and/or into wetland areas. Any trees felled outside the harvest area must be pulled back into the sale area before being processed. No slash is to be left in any wetlands within or adjacent to the sale. Equipment may not be operated within 15 ft of any wetland unless ground is dry or frozen.

5. Harvest area is bounded by red paint except where it follows South Turcott Rd. and wetland areas on the western edge of the sale.

6. Slash must be pulled back 10 ft from the edge of all trails/roads and cut to less than 2 ft high within 20 ft of the trails/roads. South Turcott Rd must be repaired to the satisfaction of the town if it is used for decking/hauling.

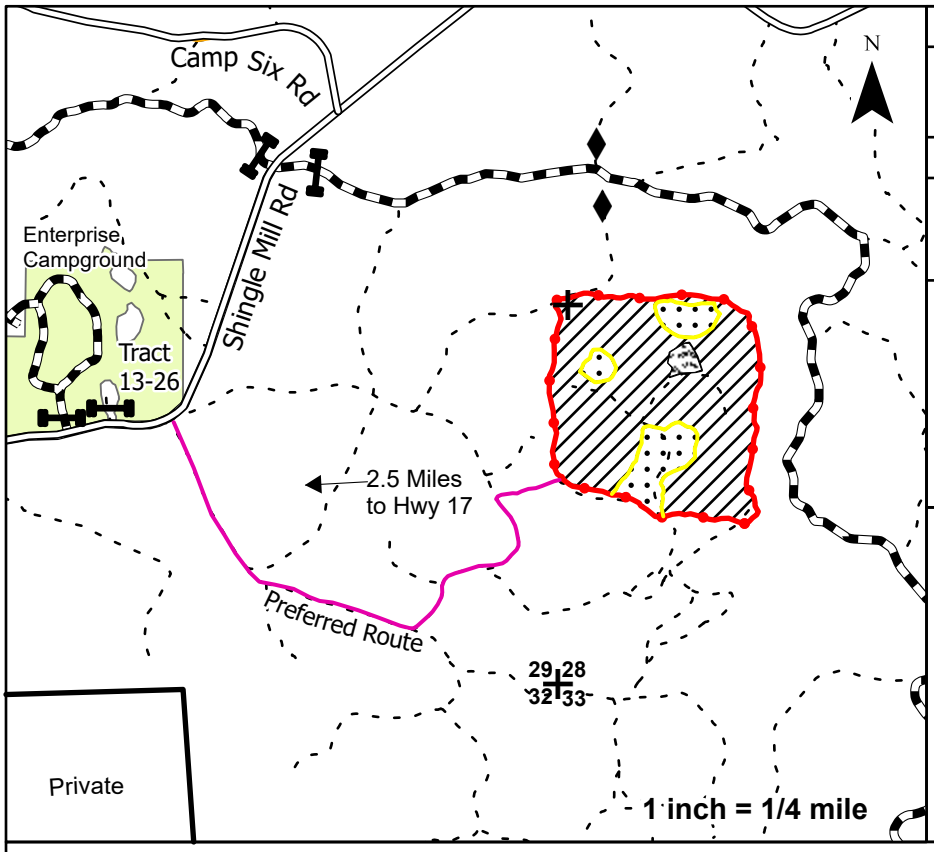

7. All items listed in the Oneida County Timber Sale Contract apply. All applicable BMPs will be followed. Sale Est. JN/JF 9/25 Updated 11/26

Harvest Regulations:

1. **Marked Hardwood Area:** Harvest all aspen, balsam fir, and ironwood 1" or larger, and all trees marked with orange paint, leaving orange visible on the stump. Balsam fir greater than 1" DBH must be cut and scattered across the sale area.
Aspen Coppice Areas: Harvest all aspen, balsam fir, white birch, and mixed hardwood 1" DBH and larger. DO NOT CUT any oak, hemlock, spruce, pine, or trees marked with yellow paint. Balsam fir greater than 1" DBH must be cut and scattered across the sale area.
EXTREME CAUTION must be used to protect existing hardwood regeneration. Excessive damage to regen may result in further equipment restrictions (such as no hot saws or fixed head harvesters only), or contract cancelation. Slash must be evenly distributed across sale area (no large piles). NO WHOLE TREE OR POLE LENGTH SKIDDING. If a cable skidder is used on steep slopes, trees must be topped prior to skidding. Utilization on all species is a 100" stick to a 4" top or whole tree. If harvesting whole tree, every 10th tree top above the standard 4" diameter must be left evenly scattered in the woods. Any den or nest trees shall be left uncut. Standing dead trees are not to be cut unless they pose a safety hazard.

2. **Seasonal Restrictions:** Dry or frozen ground conditions will be required for harvesting and hauling activities. Harvesting/skidding in the harvest area is limited to July 15 through the following spring break-up (approx March 15). Further seasonal restrictions may be imposed if excessive rutting occurs in the woods, the roads, or if excessive damage to residual trees occurs.

3. **Roads and Access:** No new access roads are permitted. Existing roads may be opened and improved and landing sites may be constructed with prior approval of the County. All roads and trails used must be returned to their original condition or better at the end of sale operations. Bond money will not be returned until all road/landing rehabilitation is satisfactorily complete.

4. No equipment is allowed within 15 ft of the wetland areas within or adjacent to the sale unless the ground is dry or frozen. No slash is to be left in any wetlands within or adjacent to the sale.

5. There is a survey monument in the northwest corner of the sale area. Do not disturb the monument or any blue painted trees.

6. Slash must be pulled back 10 ft from the edge of all trails/roads and cut to less than 2 ft high within 20 ft of the trails/roads.

7. All items listed in the Oneida County Timber Sale Contract apply. All applicable BMPs will be followed.

- Survey Monument
- Berm

Harvest Regulations:

1. **Marked Hardwood Area:** Harvest all trees marked with orange paint, leaving orange visible on the stump and all balsam fir and ironwood over 1" DBH. Cut all trees with 50% or more of the top broken off and trees that are root sprung or leaning more than 30 degrees if they are still salvageable. EXTREME CAUTION must be used to protect existing hardwood regeneration. Excessive damage to regen may result in further equipment restrictions (such as no hot saws or fixed head harvesters only), or contract cancelation. Slash must be evenly distributed across sale area (no large piles). NO WHOLE TREE OR POLE LENGTH SKIDDING. Utilization on all species is a 100" stick to a 4" top. Any den or nest trees shall be left uncut. Standing dead trees are not to be cut unless they pose a safety hazard.

2. **Seasonal Restrictions:** Dry or frozen ground conditions will be required for harvesting and hauling activities. There are numerous wet stretches on the access road so frozen conditions will likely be required. Harvesting/skidding in the harvest area is limited to July 15 through the following spring break-up (approx March 15). Further seasonal restrictions may be imposed if excessive rutting occurs in the woods, the roads, or if excessive damage to residual trees occurs.

3. **Roads and Access:** No new access roads will be permitted. Existing roads may be opened and improved and landing sites may be constructed with prior approval of the County. All roads and trails used must be returned to their original condition or better at the end of sale operations. The main access off of McCord Rd must be blocked with rocks/stumps or a berm at the end of each harvest season and at the end of the sale. Bond money will not be returned until all road/landing rehabilitation is satisfactorily complete.

4. No equipment is allowed within 15 ft of the wetland areas within or adjacent to the sale unless the ground is dry or frozen. No slash is to be left in any wetlands within or adjacent to the sale.

Harvest Regulations:

1. **Marked Hardwood Area:** Harvest all aspen, elm, ironwood and balsam fir 1" DBH or larger and all trees marked with orange paint, leaving orange visible on the stump. Within the purple marked gaps, harvest all trees 1" DBH or larger and all purple painted trees. Do not cut oak. EXTREME CAUTION must be used to protect existing hardwood regeneration. Excessive damage to regen may result in further equipment restrictions (such as no hot saws or fixed head harvesters only) or contract cancelation.
Aspen Area: Harvest all aspen, fir, maple, white birch, ash, elm, and ironwood 1" DBH and larger. Do not cut any other species.
In both areas all balsam fir 1" DBH and larger must be cut, lopped, and scattered across the sale area. Slash must be evenly distributed across sale area (no large piles). Utilization on all species is a 100” stick to a 4” top or whole tree. Any den or nest trees shall be left uncut. Standing dead trees are not to be cut unless they pose a safety hazard.

2. **Seasonal Restrictions:** EXTREME dry or FROZEN conditions will be required for harvesting and hauling activities. Harvesting/skidding in the harvest area is limited to July 15 through the following spring break-up (approx March 15). Further seasonal restrictions may be imposed if excessive rutting occurs in the woods, the roads, or if excessive damage to residual trees occurs.

3. **Roads and Access:** Existing roads may be opened and improved and landing sites may be constructed with prior approval of the County. All trails must be returned to their original condition or better at the end of sale operations. Bond money will not be returned until all road/trail/landing rehabilitation is satisfactorily complete.

4. The main access road from North Turcott Rd has a rock ford on Thunder Creek. The ford may have timber mats or poles placed across it during frozen ground conditions. The temporary crossing materials (timber mats, poles, or pipes) must be placed between May 15 and Sept 15 due to the stream being classified as a trout stream. Timber mats may be left in place for the duration of the sale, but any pipes or poles placed in the stream must be removed by March 15 to allow for fish passage.

5. No equipment is allowed within 15 ft of the wetland areas within or adjacent to the sale unless the ground is dry or frozen. No slash is to be left in any wetlands within or adjacent to the sale.

6. Slash must be pulled back 10 ft from the edge of all trails/roads and cut to less than 2 ft high within 20 ft of the trails/roads.

7. No equipment is allowed across the RED PAINT LINE marking the Price County/Chequamegon-Nicolet NF boundary. Any trees felled across the RPL into CNNF lands must be pulled back onto county property before being processed. There is a survey monument in the NW corner of the sale area. Do not cut the red painted trees or the survey monuments.

8. All items listed in the Oneida County Timber Sale Contract apply. All applicable BMPs will be followed. Sale Est. MO/OCF/WDNR 10/21 UPDATED 11/26 JF

Oneida County Forest
Circus Hardwood

Harvest Regulations:

1. **Marked Hardwood Area:** Harvest all balsam fir and ironwood 1" or larger, all ash and aspen 6" DBH and larger, and all trees marked with orange paint, leaving orange visible on the stump. Balsam fir must be cut, lopped, and scattered across the sale area. EXTREME CAUTION must be used to protect existing hardwood regeneration. Excessive damage to regen may result in further equipment restrictions (such as no hot saws or fixed head harvesters only), or contract cancelation. Slash must be evenly distributed across sale area (no large piles). Utilization on all species is a 100” stick to a 4” top. No whole tree harvesting is allowed. Any den or nest trees shall be left uncut. Standing dead trees are not to be cut unless they pose a safety hazard.

2. **Seasonal restrictions:** EXTREMELY dry or frozen ground conditions will be required for harvesting and hauling activities. Harvesting/skidding in the harvest area is limited to July 15 through the following spring break-up (approx March 15). Further seasonal restrictions may be imposed if excessive rutting occurs in the woods, the roads, or if excessive damage to residual trees occurs.

3. **Roads and access:** The main access road(Dave Wright Rd) from N Turcott Rd has a rock ford crossing Thunder Creek. Any temporary crossing materials (timber mats, poles, or pipes) must be placed between May 15 and Sept 15 due to the stream being classified as a trout stream. Mats may stay in place until the sale is completed. If poles or pipes are placed in the stream, they must be removed by March 15 to allow for fish passage. Existing roads may be opened and improved and landing sites may be constructed with prior approval of the County. All trails must be returned to their original condition or better at the end of sale operations. Bond money will not be returned until all road/trail/landing rehabilitation is satisfactorily complete.

4. No equipment is allowed within 15 ft of the wetland areas within or adjacent to the sale unless the ground is dry or frozen. No slash is to be left in any wetlands within or adjacent to the sale.

5. Slash must be pulled back 10 ft from the edge of all trails/roads and cut to less than 2 ft high within 20 ft of the trails/roads. Any trees felled across the red paint line must be pulled back onto county property before being processed.

6. No equipment is allowed across the RED PAINT LINE (RPL) marking the Price county/Chequamegon-Nicolet National Forest boundary. Any trees felled across the RPL onto CNNF lands must be pulled back onto county property before being processed. There is a survey monument on the southern end of the property boundary. Do not cut the red painted trees or disturb the survey monument.

7. There is a game opening in the south end of the sale area. The game opening may be used as a landing, if it is, all topsoil that is removed must be replaced and leveled at the end of the sale to allow for future maintenance.

8. All items listed in the Oneida County Timber Sale Contract apply. All applicable BMPs will be followed.
