
PERCH LAKE PARK

County Park Rd
Rhineland WI 54501

Perch Lake Park is located in the Cassian/Woodboro block of the Oneida County Forest. The park consists of an enclosed, heated shelter building with a covered deck with fireplace, vault toilets, disabled access fishing pier and a grassy picnic area. Picnic grills and tables are located in the picnic area. The park serves as a trail head for the Washburn Lake Silent Trails Area which has 12 miles of groomed ski trails and 6 miles of single track bike / snowshoe trails. Perch Lake is perfect for fishing, relaxing, or canoeing.

Fishing Pier

Perch Lake is a non-motorized lake. Fish species found in the lake include Blue Gills, Perch and Trout. A highlight of the park is the disabled-access fishing pier. A paved path runs from the parking lot down to the pier to provide access for wheelchair users and other fishing enthusiasts with mobility challenges. The pier is also ideal for people with small children as it provides safer access to the lake for little ones to practice casting skills or enjoy turtle watching.

Silent Sports Trails

Perch Lake Park serves as a trail head for the Washburn Trail, which is the largest and most popular of the 3 ski trails, located adjacent to Perch Lake Park in the Town of Woodboro. The Washburn Ski Trail is 12.0 miles long, offering 4.0 miles of trail groomed for tracked skiing, and 8.0 miles of trail groomed for ski skating. As a result of the hilly topography found throughout the Washburn Lake Area, these ski trails are best suited for skiers possessing an intermediate to advanced skill set.

Single Track Bridge

Down the Hill at Perch Lake

Boats & Canoes

Perch Lake is a non-motorized lake. A boat landing is located on the west side of the lake. No swimming is allowed at the park.

Judy Swank Shelter The all-season shelter was named to honor a local ski enthusiast who was instrumental in its creation. The facility offers a heated enclosed shelter as well as an open-air shelter, electricity, fireplace, picnic tables, grills, & restrooms. Winter sports are better with a warming hut!
