APPLICANTS CERTIFICATION: The undersigned hereby applies for the above-described permit and certifies that the information provided is complete, accurate, and that all projects will be completed in compliance with the requirements of the Oneida County Zoning & Shorelands Protection Ordinance and all other applicable ordinances and laws of the State of Wisconsin. The applicant understands that the issuance of this permit creates no legal liability, express or implied, on Oneida County and that failure to comply with the permit may result in suspension or revocation of this permit or other penalty. You are responsible for complying with State and Federal laws concerning construction near or on wetlands, lakes and streams. Wetlands that are not associated with open water can be difficult to identify. Failure to comply may result in removal or modification of construction that violates the law or other penalties or costs. For more information, visit the Department of Natural Resources (DNR) wetlands identification page at <http://dnr.wi.gov/topic/wetlands/locating.html> or contact a DNR Service Center. The undersigned assumes responsibility for the above said project(s) and hereby grants Oneida County permission to enter upon and inspect the property as needed. Additional responsibilities for owners of projects disturbing one or more acres(s) of soil. I understand that this project is subject to NR 151 regarding additional erosion control and storm water management and will comply with those standards. For more information, visit the DNR or DNR Service Center.
