- 7. Nutrition Program Budget Update & Action:** Ms. Heidi Chavez, Ms. Beth Hoerchler, and Ms. Mya Olkowski reported on the Nutrition Program budget and updates. There was a long discussion by committee members in regard to the next steps to save money to meet budget requests. Ms. Mya Olkowski asked the committee members what their final preferences would be. The first two will be executed right away, and the rest will take place only if necessary:

1. Assess the needs of current Home Delivered Meal (HDM) clients but make no cuts to these individuals. New interested clients will be assessed based on a low, moderate, and high needs. The lows will be denied meals. Then, contact any clients who are Vilas County residents and notify them to reach out to Vilas County ADRC for Nutrition Program needs and end their service. Oneida County coverage of meals was once provided due to Vilas not having a meal site near Arbor Vitae. Vilas can work out an agreement to pay Oneida County full price of the meal if they wish.
2. Reduce Rhinelander, Woodruff, and Three Lakes dining sites to providing meals 3 days a week but offering frozen meals to HDM clients for the 2 other days.
3. Rearranging HDM routes and possibly reducing the areas that are served in Oneida County.
4. Increasing the contribution price again which was last increased in November 2025.
5. Starting a waiting list for new HDM clients.

Ms. Heidi Chavez will be reporting these preferences to the Human Service Committee, and then to the Executive Committee.

- 8. FoodShare Changes:** Ms. Mya Olkowski reported that the State of Wisconsin is making changes as to who is eligible for Food Share. The Wisconsin Department of Health Services provided the ADRC with talking points to explain rule changes for FoodShare members who are aged 60-64, and aren't blind or disabled. The talking points were included in the handouts to create awareness in regard to these changes.
