January 10, 2024**

**Human Services Structure update**

**December/January 2023**

- Mr. Patrick Cork, Consultant, has begun conducting stakeholder meetings in December 2023 and January 2024. This will continue into February 2024.
- A Dome News Article was written regarding the restructuring and will be included in the February 2024 Dome News for Oneida County staff.
- An Oneida County Social Services Manager is attending Mental Health Crisis training to attain a better understanding of MH Crisis Services.
- A meeting was held with the Extension Office Director who will be facilitating a group meeting of the Directors, Managers and Supervisors of the three County Social Service Department and the Human Service Center. The intent of the meeting is to discuss how we move forward in a positive manner and make sure we are providing the best possible services to our residents. This meeting is scheduled for January 29, 2024.
- A page has been created on the Oneida County Department of Social Services website to provide information on the restructuring. Other Counties/Agencies will be able to point to this web-site for their viewers to get information.
- Monthly updates will be provided in January to the Social Services and ADRC Committees, the Human Service Center Board and the Oneida County Board of Supervisors.
