CREATE A PART TIME ACCOUNTING TECHNICIAN FOR FINANCE DEPARTMENT

Finance Director Smigielski did hire an accountant level position from a staffing agency and a limited term employee for her office. Due to the positive performance of the current LTE, continued workload of the Finance Department, desire to cross-training internally, and a better understanding of demands post-ERD upgrade Smigielski and Charbarneau recommend moving the LTE position to a permanent 60% Accounting Technician.

Motion by Holewinski to approve the creation of a 60% Accounting Technician position for the Finance Department, with all costs coming for current budget. Second by Harris. All Committee members voting 'Aye'. Motion carried.
